d. European client

- i. Since March 2017, we are adding the note shown below on the Commercial Invoices to avoid the 1.7% duty fees you had to pay before the CETA free trade agreement was signed. So, if your country is part of the Canada-EU CETA free trade, you shouldn't have to pay any duties importing Impack machinery. Please contact us if you receive an invoice for anything other than VAT before the delivery of the equipment.
